

## **Pankhurst House - Term 1 update**

It's great to have completed our first term together as a House. We've established our spirit animal – a mountain goat; our House theme tune – Get on the Good Foot; our House motto – Deeds not Words; and our core Pankhurst values – passion, perseverance and pride.

Lily Hannan in year 11 deserves special mention for winning a hard fought competition to design the House logo. She won a kilogramme of chocolate and more importantly has left a lasting legacy to the House which will outlive her time here.

Now we've established the basics we are in a great position to 'get on the good foot' and make the most of the opportunities to be taken in Term 2.

*Mr Murdoch, Head of Pankhurst House*
