1. Introduction and Rationale

St. Katherine's School understands that nationally, disadvantaged pupils make less progress than pupils who are not from disadvantaged backgrounds. Historically, this has also been true at St. Katherine's School for pupils in receipt of the Pupil Premium Grant (PPG). It is a whole school priority to reduce and ultimately remove this gap.

The Pupil Premium Grant per pupil for 2019-2020 is as follows:

- Pupils in Year Groups 7 to 11 recorded as Ever 6 Free School Meals (FSM) are allocated **£935**.
- Looked-After Children (LAC) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority and are allocated **£2,300**.
- Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order are allocated **£2,300**.
- Pupils in year groups reception to Year 11 recorded as 'Ever 6 service child' or in receipt of a child pension from the Ministry of Defence are allocated **£300**.
- Funding for most elements of Pupil Premium grant is determined on a backdated basis from the January census each year (i.e. funding follows a year behind the actual pupil and is allocated to support).

It is the responsibility of the school to help all pupils achieve as highly as possible, and to ensure this by providing additional support where necessary. Disadvantaged pupils may encounter greater barriers to their learning than other pupils and staff should look to mitigate these barriers whenever and wherever possible.

St. Katherine's School recognises that the funding provided for disadvantaged pupils is intended to narrow the achievement gap and therefore all the spending is linked to improving academic progress. Interventions will be identified which support pupils' progress, and then provided internally, and supplemented by external provision.

As a school in receipt of Pupil Premium funding, we are accountable to our parents and school community for how we are using this additional resource to narrow the achievement gaps of our pupil groups. The current spending plan and the impact measures are displayed on the school website. The spending priority is regularly reviewed against activity audits and is amended annually to meet the individual and group needs of the pupils.

We believe that no one person is responsible for improving the outcomes of Pupil Premium pupils, as the following staffing structure diagram shows:

2. Aims

- To improve rates of attainment/progress and for students to progress equally with others across year groups and subjects.
- To improve literacy for Pupil Premium pupils so that they are better able to access the curriculum and wider learning.
- For PP pupils attendance to meet national expectations.
- For PP pupils and families to be supported to work in partnership with the school, to deal with difficulties and build resilience.
- The removal of any non-academic barriers to learning.
- To increase the opportunities for PP students to engage with sports, the arts, cultures in the UK and abroad, and to be exposed to activities that enrich and widen their horizons.
- To increase the % of PP students staying in education or going into employment after key stage 4 (student destinations) at least in line with national averages.
- To ensure an effective teacher in front of every class and that every teacher is supported to keep improving.

3. Roles and Responsibility

We expect all members of our school community, particularly staff and governors, to be committed to raising standards and narrowing the attainment gap for our pupils. All staff within the wider school community encourage high aspirations amongst our pupils in receipt of the PPG. The staffing structure diagram shows that many post-holders are involved in improving outcomes; it is important that these post-holders understand their specific roles and responsibilities, and how their position fits into the larger structure.

4. **Staff training and guidance**

The emphasis will be on developments in Teaching and Learning as this will benefit all Pupil Premium pupils. Updates are shared in whole school INSET days/twilight sessions. CPL training on best practice is provided for all teaching staff.
