The pupils involved in this incident: Samia Caraye (10T1), Isra Sandhool (10S) and Ayaan (10T2).

Time: 08:30 am 27/09/19

Outside the English block I was with my friend (Ruweada and Muna) and the three girls (and Tyrone) named above walked past me. The girls walked up the nearest tree and picked conkers and proceeded to throw it at me. This hit my back which really hurt and made me feel intimidated. I looked back to see who it was and was met by the three girls laughing at me. I ignored them and was too scared of them at the time to report them to a teacher.

Time: 14:20 pm 27/09/19

Later that day I saw the three girls huddled around outside SSO. My friend Ruweada heard Isra say "Farida is so F\*\*king annoying" and "I am going to kill this girl". She also said to Ruweada "Farida is so white-washed you need to pattern your friend". These statement made me feel extremely sad and resulted in me crying the rest of the day. While I was crying at school the three girls were standing around me laughing which made me even more upset.

Time: 15:20 pm 27/09/19

After school we were all in a queue for the X4 bus. The three girls were talking about me and saying "why is she crying" while sniggering. This caused more attention to me from other bystanders which made me feel embarrassed.

Also I am frequently assaulted by this group who kick the back of my knees as I walk and sometime this causes me to fall on the floor.

**Has anything like this ever happened before? Please provide as much as possible including dates and names of other students.**

Another incident occurred last year (end of year 9). The three girls walked past me by the English block and sprayed me with Fart spray and proceeded to laugh. They stated it was a joke but they were the only ones laughing.

I had another occasion in year 9 where this group collectively pushed me into a bush.
