Reserve Choices:

1) Predicted Level 2 Grades ()

2) Predicted Level 2 Grades ()

Queries

Do you have an appropriate electronic device for Sixth Form?

Yes No

PLEASE RETURN COMPLETED FORMS TO:

MR S COLEBOURNE, ST KATHERINE'S SCHOOL, PILL, BS20 0HU

Guidance on applying to St Katherine's Sixth Form

FILLING OUT THE APPLICATION FORM:

Course Choices

Please write only one subject in each box on the application form, in order of preference. All applicants must put down **at least three** subjects they wish to study. Most students study three subjects. Students with an exceptional academic record who demonstrate a desire to study four subjects are encouraged to do so.

Reserve Choices

Please indicate **at least one** reserve subject choice. We try to satisfy as many student preferences as possible, however, when we arrange subjects in option blocks some of your preferred subjects may clash on the timetable. If that's the case we will discuss alternative subjects with you at the earliest opportunity.

Predicted Grades

In most cases, you can enter this information based on the equivalent subject you are studying in Year 11. If you have not studied a subject before, please indicate this. Where a subject has requirements of grades in additional subjects, please indicate these grades too. See the course information sheets or speak to a member of staff for further information.

Entry requirements

It is important we are able to support your subject choices so we can be confident you have a provision that is right for you. With this in mind, please carefully check the specific grade requirements for each subject. Some subjects require a grade 6 in the relevant GCSE subject, while others may have broader or associated requirements.

Additional Subjects

Although we have a wide range of options available we may not be able to offer everything you are interested in studying. Please use the space on the form to tell us of other subjects that you are interested in. We will explore course options if there is sufficient demand as well as looking into course collaboration with our partnership schools.

Chromebooks

All Sixth Form students use a Chromebook or an electronic device to access learning. Please indicate on the application form if you have a suitable device you can use.

Questions

If you would like more information after reading our prospectus and speaking with staff, please feel free to contact us on **sixthform@skdrive.org**. We are also happy to discuss any further questions with you at your course consultation meeting.
